# INSTITUT BISNIS & INFORMATIKA KESATUAN KAMPUS PILIHAN

IBI Kesatuan creates a warm study environment with a strong academic climate with a focus on science and technology ready to use in the working world. IBI Kesatuan is now growing rapidly and ready to accommodate students from all over Indonesia because it has 43 years of experience in managing education. Yayasan Kesatuan is committed to always producing IBI Kesatuan graduates as undergraduates & intermediate experts with Pancasila spirit. Most of our lecturers are practitioners in their fields who guide IBI Kesatuan students to be ready to enter the world of work and create business opportunities independently.

**IBI Kesatuan** as a higher education institution always strives to provide the best contribution to the public interest and the Republic of Indonesia through seven beliefs that originate from the values that have become work culture.
